EDUCATION

Start your education career at Cayuga

Cayuga can help you prepare for a broad range of childhood, adolescence and early childhood education careers including:

Elementary School Teacher
Pre-School Teacher
Child Care Provider
School Administrator
Middle School Teacher
High School Teacher

Early Childhood Education

For you if you are interested in a career in child care, preschool, or early childhood education (birth through 2nd grade). A strong mix of early childhood and related courses provides marketable skills for working in a preschool or child care setting, as a teaching assistant, or for transfer to a four-year institution.

Cayuga's Early Childhood Program advantages:

- Strong career preparation for immediate employment (AAS) or for transfer to a four-year institution (EC Concentration)
- Required field experience applies theory to classroom practice
- On-site child care center serving students, employees, and area families
- Additional activities through the Early Childhood Club
- January intersession service learning program working in the schools with the Seminole Tribe in Florida.

Childhood Education

For you if you plan to teach grades one through six and transfer to a four-year State University of New York institution to pursue a bachelor's degree in childhood education.

One concentration in the following is required.

English
General Science
History/Social Studies

Adolescence Education

For you if you plan to teach grades seven through twelve and plan to transfer to a four-year State University of New York institution to pursue a bachelor's degree in adolescence education.

One concentration in the following is required.

Biology
Chemistry
Earth Science
English
History/Social Studies
Mathematics
