Through Cayuga Advantage, the College partners with several area school districts to offer credit courses to high school juniors and seniors. Cayuga's Fast Forward sequence enables high school students to attain college junior status a year early. Our Admissions office will be glad to tell you more.

Two Campuses Plus Online Study

All degree programs are available on Cayuga's Auburn campus. Many can be completed at the Fulton campus in Oswego County. In addition, hundreds of Cayuga courses and several degree programs are offered online.
